

The latest news from the Virginia Department of Transportation on plans to improve Route 7.

The Virginia Department of Transportation is planning improvements to almost seven miles of Route 7 between Reston Avenue and Jarrett Valley Drive, including new lanes, intersection improvements, and shared-use paths.

The goal: Decrease congestion, increase capacity, improve safety, and expand mobility for cyclists and pedestrians.

Schedule a visit to your HOA

Please note the open houses originally scheduled for January 8 and 9 in McLean have been cancelled.

We are hearing your feedback—direct meetings with more than twenty homeowners associations along the corridor have led to a more focused and effective discussion with you and your neighbors on elements of the proposed project near your neighborhood.

Throughout January, the team is meeting with the following groups:

- Amberwoods
- Bradley Oaks
- Lockmeade
- Locust Hill
- Great Falls Crossing
- Shouse Village
- Towlston Meadow

Check with your HOA on dates and details if you are interested in attending.

[Contact the project team](#) to schedule a meeting and provide input toward the project's design.
